CONSENT

I give consent for my child _____ to take part in the listed activities.

I **do / do not** agree to any emergency treatment to be given, including emergency transport, as considered necessary. (circle one)

NB: The medical profession takes the view that a parent's consent to medical treatment cannot be delegated to another. Medical consent forms have no legal status and a doctor has the right to insist on parental consent before treating a child. We have found, however, that medical staff find this type of general consent helpful.

I **do / do not** agree to photographs and short videos of activities including my child to be taken for use within the Church community and for possible publication, including newspaper or internet. (circle one).

We recognise that circumstances / information changes. It is my responsibility as a parent/carer to make the organisers aware so that changes can be made to the existing form or a new form can be completed.
